

# About Axonify

Axonify is pushing beyond the boundaries of eLearning with the introduction of the world's first Employee Knowledge Platform. Powerhouse brands like Walmart, Toyota and Johnson & Johnson, are leveraging the Axonify platform to fuel their employees with the knowledge they need to be successful on the job. Built with the fundamentals of brain science, adaptive learning, gamification, microlearning and knowledge-on-demand at its core, the award-winning Axonify Employee Knowledge Platform is proven to encourage employees to take the right actions — ultimately driving business outcomes that increase revenue or decrease expenses. Through its unique analytics and reporting capabilities, Axonify is the only solution that allows organizations to finally tie the impact of employee knowledge to behavior change and bottom line results.

**Axonify: Fuel your people + power your organization.**
